2 .Product care

- To keep your product beautiful as the years pass, we recommend following these guidelines for its care :
- Beware not to scratch or rub your product against abrasive surfaces, especially the leather trim.
- Keep your product away from damp or humid environments and avoid direct exposure to sunlight, keep your product away from any direct source of heat (radiators, car interiors overheated by the sun, etc).
- - Avoid contact with greasy substances, cosmetics, perfume, and hydroalcoholic solutions, as well as any material (magazines, other leathers, etc.) that may transfer their coloured pigments onto the product.
- Keep your product away from water. Should it get wet or dirty on the surface, dry with a lint free, light-coloured, absorbent cloth. Never use soap or solvent.
- If your lining gets dirty or in case of superficial stains, we recommend that you wipe it with a soft and light-coloured cloth.
- In order to protect your product when you are not using it, store it in the felt protective pouch provided

Taking proper care of your NEXTAG product will allow you to fully appreciate its beauty for many years.
