Gucci Off The Grid billfold wallet

\$370

The billfold wallet is introduced within a line of accessories and ready-to-wear presented for Pre-Fall 2020 made from recycled materials and trims, supporting the House's commitment to sustainability. Gucci Off The Grid is the first collection from Gucci Circular Lines—a concept created to support the House's vision for circular production. Designed for those mindful of their environmental impact, Gucci Off The Grid uses recycled, organic, bio-based and sustainably sourced materials. Regenerated nylon, crafted using recycled sewing thread and trims displays the GG pattern against an opaque background in a vibrant orange hue.

Orange GG nylon made from ECONYL®—a nylon fabric sourced from regenerated materials that can be recycled and recreated, aiding in decreasing its ecological footprint. Black leather trims made from leather tanned through an alternative metal or chrome free tanning process, reducing the environmental footprint compared to traditional methods.

Sewn using recycled polyester thread.

This item will come with a FSC-certified recycled gift box, shipped flat, and recycled nylon flannel dust bag. Each Gucci Off The Grid product will ship with a dedicated booklet detailing the collection, printed on FSC-certified recycled paper.
